

WE ARE LOOKING FOR: WORKING STUDENT MARKETING/SOCIAL MEDIA (W/M/D)

ABOUT US

As an independent service company, we have stood for software and systems engineering and digital training for more than 20 years. We support companies in the field of mechanical and plant engineering to improve the quality of software components and to optimize development processes. We offer you a secure job in an international company shaped by its people. You can look forward to having nice colleagues, flat hierarchies, and the opportunity to actively help shape the company. Become part of our dedicated team!

WHAT WE EXPECT FROM YOU:

- You are studying for a degree in communication, marketing, digital media, or alike
- You are interested in social media and web design
- You are experienced in audio-visual storytelling
- You have some initial journalistic experience
- You are characterized by good communication and teamwork skills as well as your friendly demeanour
- You have German and English skills, both spoken and written
- You can work 1.5 to 2 days a week, even more, if you like

WHAT WE OFFER YOU:

We offer you the opportunity to get involved in a young and highly motivated team. Trust and flexibility on both sides are our top priorities. For us, humour and fun at work are just as important as keeping a cool head in stressful situations and dealing with deadlines. We care about:

- Respect and trust in the team
- Flat hierarchies and friendly cooperation
- Flexible working hours and home office days
- Varied working environment
- Individual development opportunities
- Regular team events
- Good transport links and parking space
